

A Symposium for Researchers and Clinicians on

XLP X-Linked
Lymphoproliferative
Disease

WAS Wiskott Aldrich Syndrome
and X-Linked
Thrombocytopenia

3rd-4th November 2014 - LONDON

www.xlp-was2014.org

XLP – WAS 2014, London, UK– Invitation

Dear Madame / Sir

The Joint XLP-WAS symposium will take place November the 3rd and 4th, 2014 in London, U.K. This first of its kind event will followed the ESID2014 and will enable researchers and clinicians to meet, present and discuss their work in the area of XLP and WAS research. For more details about the event, please visit our website at www.xlp-was2014.org.

We are planning a series of sessions, keynote presentations and panel discussions. Our objectives for the symposium are simple, yet bold. We hope to attract researchers and clinicians from around the world to:

- Expand XLP and WAS research.
- Bridge the gap between basic and clinical research to speed up applications
- Foster collaboration among researchers.
- Motivate young researchers to focus on XLP and WAS

We invite you to participate at the symposium and be updated with the most recent knowledge regarding XLP and WAS. If you are interested, please go to our website and register on line at www.xlp-was2014.org. If for some reason you have problem with the site, you can also register at <http://www.eventbrite.co.uk/e/xlp-was-symposium-2014-tickets-11529197139?aff=eac2>

For additional information or any clarification needed, please send us E-mail at:

office@was.org.il

info@xlpresearchtrust.org

Looking forward hearing from you and seeing you at the symposium.

XLP-WAS 2014 Organizing committee
