

WE ARE HIRING A CONSULTANT DOCTOR FOR A JOINT POSITION AT KERRY UNIVERSITY HOSPITAL AND CORK UNIVERSITY HOSPITAL

Kerry University Hospital and Cork University Hospital requires a haematology Consultant doctor FOR A NEW POST THAT WILL BE CREATED.

Description:

University Hospital Kerry is a large acute hospital situated in Tralee, Co. Kerry providing acute healthcare to the people of Kerry, parts of North Cork and West Limerick. It is the third largest of the southern areas seven acute hospitals providing care to the population of Kerry 145,502 (2011 census) which has increased by 3.7% as compared to the 2006. There are presently 300 inpatient beds.

We provide emergency and unplanned specialist care 24 hours a day, every day of the year. From that core is built a comprehensive medical, surgical investigation, diagnosis and treatment for physical illnesses or conditions, injuries or disease for adults and children. Further specialisation is delivered in a small number of areas e.g. care of those with cancer, renal dialysis care. The breadth and depth of services at University Hospital Kerry supports a holistic “whole patient” approach to care by allowing immediate and easy involvement of different specialists in any patient’s care. Patients are admitted to hospital

Cork University Hospital is the largest university teaching hospital in Ireland and the only Level 1 Trauma centre in the country due to the presence of over 40 different medical and surgical specialties on the campus. CUH is the tertiary referral centre for the HSE Southern area, and the supra regional area of Limerick, Clare, Tipperary, Waterford and Kilkenny. CUH therefore acts as a regional centre for secondary and tertiary care for the catchment population of 550,000 served by the HSE Southern area and a supra-regional centre for a total a population of 1.1 million.

In 2016 CUH had 63,444 ED presentations, 209,947 out-patient attendances 45,493 inpatient discharges and 80,938 day cases.

The maternity services had 7638 births and 90,453 outpatient attendances.

CUH has 800 beds and this will increase further to 1,000 beds on completion of the transfer of additional services to the CUH campus. CUH currently employs 3,269 (WTE) staff of multiple professions and is the primary teaching hospital for the Faculty of Health and Science in University College Cork.

Benefits:

- Initial contract of 6 months- 1 year.
- Approximate net monthly salary of **7000-7500€ net/month** after tax and pension deductions for Consultant positions. Could have the possibility to earn more money through private patients attending the hospital. Typical long term Consultants in Ireland are earning in excess of 10.000€ net/month (approximately 200.000€ gross/year).
- 31 working days per Year holidays for Consultants+ public holidays (there is 9 in a year).
- 7 study days leave per year to attend conferences or further education for Consultants.
- Up to 3000€ for educational funding for Consultants.
- Lucrative pension scheme included.

Requirements and Qualifications:

1. Should be a **Specialist in haematology inside the European Union**. Will need to get registered with the Irish Medical Council on the Specialist Registrar but we can help you with that if not yet registered. Please take into account that the process can take up to 3 months in total.
2. Have a very good command of written and spoken English.
3. Good motivation to go to Ireland to work as a doctor as from March-April 2019.

Application:

All candidates who are interested should send a **detailed CV in English** to the following e-mail address: **k.hardy2@hotmail.com**. Extra and more precise information on the job places will be given once we receive the CVs.
